 SCOTT DAVID ALLEN)

AFFIDAVIT OF
LARRY SMITH

I, Larry Smith, being duly sworn state the following:

1. My name is Larry Smith. I am a resident of High Point, North Carolina. I am over the age of 21 years and competent to make this statement. My statement is based upon my personal knowledge.

2. I met Scott Allen in the 8th grade. We were close friends and hung out a lot together. When I began dating Lois Lawson, she and I took a trip to the beach with her sister, Joyce, and while there Joyce met Scott, ~~for the first time.~~ Scott later married Joyce. LS

3. I met Chris Gailey in the sixth grade, two years before I met Scott. Scott and Chris eventually became close friends, and hung out together a lot after high school.

4. I met Vanessa ~~Williams~~ ^{WARNER} through Scott. I married her in September of 1995 and had a son, Robert, with her. Our marriage broke up because Vanessa decided she wanted to be with Scott rather than with me. Vanessa signed over her parental rights to Robert when she was strung out. S

5. I recall that several years later, when Scott was on work-release from jail, Vanessa picked him up and they took off. They went everywhere. Robert and I flew out to Spokane, Washington at one point so that Robert could see his mother. Later, all of us went to Oregon, San Francisco, and San Diego until we ran out of money. I was the only one working. Eventually, Robert and I flew home, and Scott and Vanessa went on to Denver, Colorado.

6. Scott had a relationship with a woman named Kelly Racobs in Denver, but I do not think Vanessa knew it when they went to Denver. When all of us were traveling together, Scott would call Kelly every chance he got. Scott had met Kelly through a tattoo artist named Greg or ~~Greg~~ Fritz. I think Scott wanted to be with Kelly the entire time, but was ~~scared~~ ^{respectful enough} to tell Vanessa. S

is not

7. Vanessa was in love with Scott. She ^{WAS} ~~acted~~ infatuated with him, ^{even} ~~obsessed~~. She kind of hounded him. Scott had charisma with the ladies. Vanessa was very angry when Scott went back to Colorado to be with Kelly.

8. I knew Chris carried drugs and lots of money. I don't know who Chris got his drugs from; he was very hush-hush about his business. I know Chris was distributing drugs. Everywhere Chris was - was a party.

9. I did not have any contact with Scott's trial lawyers. I would have talked to them if they had asked. I am a God-Parent to Scott's daughter, Jordan.

Further affiant sayeth not.

The foregoing paragraphs numbered one through nine are true and correct to the best of my knowledge.
