Jamie Fender

Jamie Fender says he remembers in 1999 he thought Scott had taken some of his expensive music and he was mad. Lois got the albums from Joyce Allen and put them back at the Fender house but they were out of alphabetical order.

He thinks it was Friday, July 9<sup>th</sup>, 1999 right before he was going to see a local band in a bar in Charlotte, he called cell phone (Chris') that night between 8:00 and 10:00. He's sure he left his house about 10:00. Fender says he and Chris were supposed to go to a Black Acid Disco Show in Charlotte and Chris never showed up so he went by himself to concert. Then Monday or Tuesday after the concert Jamie heard Chris was dead.

Fender has known Chris since Junior High. Has known Scott since about 1986. He met Vanessa in 1992 or 1993.

Fender says he has been to Whip-o-will house on lake one time to drop off a girlfriend of Christopher's.

Fender says he has been to see Scott 3 times in prison – last time was 4 to 5 months ago. Says he felt like Scott wanted to “put things right” with him. He has written to Scott. Scott asked him to visit – he agreed – 1<sup>st</sup> visit. On the second visit he decided he would just go see Scott.

Does not recall specifically if Chris or Scott owned any weapons.

Fender says he had not really seen Scott since 1995 – did not have contact with Scott in 1999. The first time he visited Scott at Central prison was the first time he had seen him since they were involved in the church break ins.

Fender stated there was a rumor going around after Gailey's death that he did it... That he supposedly left to go to the concert wearing camouflage pants. He thinks Lois Fender may have started the rumor.

Met with Kristian Allen October 21, 2003.
